Frequently Asked Questions
Enteral Feeding Pumps and Supplies

Why is the ADP making changes to the delivery of funding for Enteral Feeding Pumps and Supplies?

The ADP is implementing a new information technology system to improve reliability and cost effectiveness in documenting client transactions, claims adjudication, and vendor payments. This new system will support the Government of Ontario’s Green IT Strategy, improve system security and information management, and improve stakeholder accessibility by decreasing time required for obtaining funding, increasing automation of claims processing and improving stakeholder and client satisfaction.

What are the changes being made to the Service Delivery?

As of June 13, 2011, funding for enteral feeding pumps and supplies will be provided in the form of a grant, payable directly to the client. The grant will be used to purchase the pump and associated supplies.

What can I expect from the Service Delivery Change?

Improved access in all areas of the province; increased ease with which eligible individuals can access and use the ADP; simplified administrative process leading to improved application processing timelines; simplified process for ADP and clients.

What changes are being made to the application process?

The applicant or their agent will complete and submit the Application for Funding Enteral Feeding Pump and Supplies form to the ADP.

Within two weeks of an approved application, the applicant or their agent will receive their first grant payment.

Is there a change to the ADP eligibility requirements for enteral feeding pumps and supplies?

No. There are no changes to the current policy, eligibility criteria, or assessment requirements.

What changes are being made to the application form

A new Application for Funding Enteral Feeding Pump and Supplies form has been created. The new form replaces the generic Equipment Supply Authorization (ESA) form that is currently used for submitting funding requests.

The form is designed into four sections,
Section 1 - Applicant’s Biographical Information
Section 2 - Devices and Eligibility
Where can I obtain the new Application for Funding Enteral Feeding Pump and Supplies form?

The application form is currently available on the ADP website at:

How does this change impact the Registered Vendor for Enteral Feeding Pump and Supplies?

As of June 13, 2011, vendors will no longer be registered with ADP for enteral feeding pumps and supplies.

When is the last date that a Vendor can submit a current ESA application form?

May 13, 2011 is the last date that the current application form may be used. Forms with a physician’s signature or nurse practitioner’s signature date of May 13, 2011 must be received at ADP no later than June 30, 2011. The ADP will no longer accept old application forms after this date.

When is the last date that a Vendor can submit an invoice?

ADP Registered Vendors may no longer invoice for enteral feeding pumps and supplies after June 3, 2011.
