

Find wait times for surgeries and other procedures online.

1. Go to the wait times section of the ontario.ca/healthcareoptions website.
2. Select your surgery or procedure.
3. Choose the available hospital that best meets your needs and talk to your doctor.

You've got health care options. Get to know them better.

By visiting **ontario.ca/healthcareoptions** and entering your information, you will be provided with wait times for surgeries and other procedures at all applicable hospitals. In collaboration with your doctor you can select or request a specific hospital in Ontario that best meets your needs.
